SEALED WITH A NASTY KISS!

Mary Carey Takes On The NWWL!

Hey Mary!

I heard you made an appearance on the NWWL and challenged every girl there to a fight! Is this true? My TV's broken and I can't watch shit!

Kent L.
Uniondale, NY

Hey Kent!

Yeah, this month, I'm going to answer your letter and your letter only! I had my friend Dan write up a story about the whole thing, so here it is!
Luv, Mary

"People of the world, my name is Mary Carey and I have come here tonight, uninvited, to talk to you about a serious injustice." For anyone else, crashing a television taping and making a political statement butt-ass naked before the cameras and screaming crowd would be seen as an insane and highly controversial move. However, for Mary Carey, it was just another day in the life.

The event was the NWWL (Naked Women's Wrestling League) Naked Revolution Pay-Per-View shooting before a riled-up crowd of over 3,000 fans at The Docks Concert Theater in Toronto, Ontario. The NWWL is a pro-wrestling promotion, ala the WWE. However, the wrestlers in this league are all female, and they do their bodyslams, clotheslines and submission holds totally naked in front of a live audience. The wrestling show was hosted by NWWL spokesperson, and sex icon, Carmen Electra, and a fierce battle between naked wrestling stars Cleopatra and Josianne The Pussycat had just concluded when Carey took everyone by surprise by climbing between the ropes, mic in hand.

The "serious injustice" Carey was addressing was the NWWL's policy against allowing porn stars to join their wrestling roster. And with a captive audience of thousands hanging on her every word, Carey slammed the league for it's closed-minded policy: "I think that is the biggest bunch of crap I've ever heard. What I do is healthy, what I do is normal and, most of all, what I do is legal." At first, people seemed to not know what to think, and even Carmen Electra herself was taken aback by the brazenness of Mary Carey to get in the ring and interrupt the proceedings.

Of course Mary Carey is no stranger to controversy. The adult film star has turned her name into a household word by perpetrating outrageous stunts in order to steal the attention of mainstream media. Her most notable headline-grabbing maneuver was getting her name on the ballot as a gubernatorial candidate in the 2003 California election. Carey wound up receiving 11,169 votes and, more importantly, a place alongside adult entertainers such as Traci Lords and Linda Lovelace, who have also achieved legitimate crossover celebrity status.

"I'm sick and tired," Carey's tirade continued, "of hypocrites and phonies looking down their noses at me because I make sex movies. Because it's always the people who protest and speak out the most against porn that wind up being the ones who have the biggest collections of dirty movies and magazines, and to me those are the real perverts of the world. So tonight, Mary Carey is taking a stand."

Caught up in the moment, the busty bombshell stripped off her clothes and issued a bold challenge to the league. "Right now, Mary Carey is naked and ready for a fight. And if you want me out of this ring, then someone's going to have to come down here, get naked, and throw me out."

The capacity crowd clearly had Carey's back and supported her bold and gutsy actions. But the cheering masses fell silent when NWWL wrestling stars Candass Canuck and Trish The Dish hit the stage to answer Carey's challenge.

"Mary Carey, I know you want to come out here and try to keep your 15 minutes of fame going," the platinum blonde Candass exclaimed. "But right now you've got about five seconds to get out of that ring before we come down there and stomp the hell out of you. The NWWL ring is no place for your kind."

Refusing to back down, Carey suggested that they let the fans decide if the no-pornstar policy was fair or not. She put forth the idea of letting the fans vote as to whether Mary should be allowed to wrestle for the NWWL. Carey instructed anyone who would like to see her wrestle naked to go to the Naked Women's Wrestling League website, nwwl.com, and let their voice be heard.

"You can have your vote," Candass conceded. "But for now, you have overstayed your welcome." And with that, Candass and Trish made quick work of peeling off their gear before taking off down the runway towards the ring.

At first Carey held her ground. Then, accepting that she was outnumbered, she made a hasty retreat from the ring before Candass and Trish could get their hands on her. Still, Carey had made her point.

How do you feel about Mary Carey's bid to become a naked wrestler? You can weigh in on this issue by casting your vote at nwwl.com. Also visit nwwl.com to find out when and where you can see the entire NWWL Naked Revolution Pay Per View, and get information on other Naked Women's Wrestling League events and merchandise. □

Poles Penetrate USA!

The first-ever distribution deal between US porn pushers and Polish XXX producers will land a series of Eastern-European-created hardcore tapes into the North American porn marketplace by this summer. Pink Press (www.pinkpress.pl), the leading hardcore vid manufacturer based in Warsaw, Poland has inked a contract with Hollywood, California-based Black Widow Productions (www.Blackwidowmedia.net) to begin putting out a stream of their overseas shot titles, beginning with the X-rated feature *Hip Sex Hop*. "For 10 years now Pink Press has produced hundreds of adult titles featuring the best of Polish, European, and even American porn performers, and now finally these movies will begin to become available in the US," says Pink Press CEO Jarek Ender. Pink Press, which also sponsors that country's annual porn confab Eroticon, and is home to the yearly World Gangbang Championships, is simultaneously ramping up their porn production schedule to meet anticipated North American demand. The eight-scene *Hip Sex Hop*—which reached the number one porn tape sales slot in Poland—stars former gangbang queen Klaudia Figura along with six other Polish starlets in a story about the wild and sexy ventures of aspiring hip hop musical artists. Pink Press expects future American releases to include gonzos, all-girl, gay and tranny titles as well.

Belladonna Out Of Fashionista?

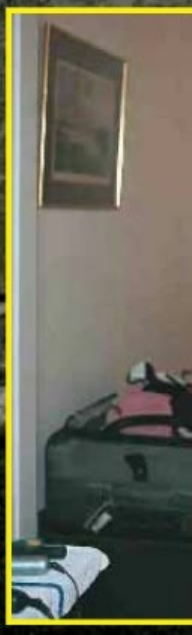
Will or will not mega-porn babe Belladonna be starring in *Fashionistas 2* when the John Stagliano/Evil Angel multi-award winning (11 Adult Video News Awards in 2002/3) erotic epic goes into production in a few months—that is the XXX question in porn-pushing circles. The dark-haired anal-sex expert, who was the surprise star a couple of years back in the original Fashionistas has been on the X-backburner the past few years due to her starting a family and being more selective about her hardcore roles. But when the original *Fashionistas* came out, director Stagliano called his porn babe protege the best starlet he ever worked with, and vowed to do all in his power to re-utilize her sexual skills again. Nonetheless, a recent open casting call for the *Fashionista* sequel—set to be shot in Los Angeles, Las Vegas, and Berlin, Germany—failed to mention Belladonna's name, leaving uncertain whether the popular seductress will be re-cast. So far no official word from Evil Angel or Belladonna on casted parts, but X-biz insiders are betting heavily that Belladonna will be asked back to take another crack at her carnal-career defining role.

Lauren Phoenix Closes Agency—Re-Opens Cunt

Canadian-born Lauren Phoenix, who had to temporarily curtail her sucks-for-bucks career due to legal immigration issues is now returning to on-camera carnaling, and closing down her short-lived porn casting Lauren Phoenix Agency that she had opened while her pussy was closed. The tall, blonde buxom butt-favored babe made the announcement on her website, advising everyone that she now had her "U.S. ID's." "The Lauren Phoenix Agency is now closed so I can focus on performing/directing and producing my own product," her short status statement read. Phoenix was forced to cease most of her on-vid bumping in the wake of new US government regulations introduced last year making it difficult for sex performers without American governmental ID to bang in sex tapes. Phoenix though didn't miss a step, opening her agency to cast other girls in XXX tapes, while awaiting her own legal work status to be clarified. Now that her can once again spread her legs, Lauren decided to shut down her agency—and back to business as usual, sucking dick, and getting ass-rammed.

Death Of A XXX Diva
Anna Malle

It's an almost universal custom that in respect for the dead, those commenting on the passing always lament that the person gone was "special" and will be "missed." Thus is considered proper form, if often completely false. But in the case of longtime porn diva Anna Malle, whose recent accidental death shocked the XXX world, those much-too-often used accolades, are completely true. The 38-year-old dark-haired heavy-hootered honey, a veteran vixen of more than 350 hardcore titles over a dozen year carnal career that started in 1994 was killed in a daytime Las Vegas car crash in which she was a front-seat passenger. And her sudden death has brought forth an outpouring of genuine sadness and grief rarely rarely seen in the rough and tumble world of North American porn. Although the Iowa-born hi-energy always-fun Anna, a well-known anal sex specialist who was considered a porn director's delight for always insisting she would do virtually any sex act had mostly retired from doing X-rated vids about two years before—and was working a straight civilian-type job when she died—her tragic death set off a chorus of XXX laments across dozens of X-websites, and contributed directly to her own www.annamalle.com. Legendary porn star Nina Hartley who often shared Anna's famous off-screen sexual exploits on the swingers circuit called her, "Beautiful, energetic, horny, smart, feisty, and very down to earth." Veteran porn stud



September 9, 1967– January 25, 2006

Steve Hatcher called Anna`s death, "Nothing short of a tragedy, she is what legends are all about." And fellow porn superstar Chloe said, "Anna was the craziest, sexiest, most over-the-top lady I ever had the pleasure to be friends with."

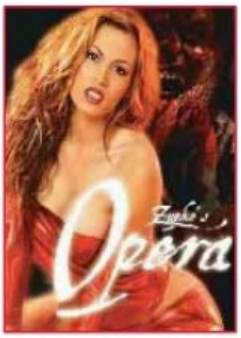
Indeed Anna, always seen in the company of her longtime hubby and fellow on-screen fornicator Hank Armstrong was known not only as one of the horniest people in hardcore, but also the nicest, and virtually no one in the highly gossipy and catty world of XXX sex circles ever seemed to have a bad word to say about her.

"She was a wonderful person, on-screen, off-screen, and anywhere else you could find her," said director Jim Malibu, "Everyone liked her, and she always did a great job." Hank—who was not involved in the accident—is planning to continue his own work in porn in due time, acting and directing, but is also contemplating a number of ways to pay tribute to his late wife. For now her website will remain up accepting messages from fans, and continuing to offer for sale many of her titles such as *Anal Maniacs 2*, *Anal Agony*, and *Anal Malle Exposed*. "It`s a shock that will never completely wear off, to lose her like that,` says Hank, "But the thing to remember is she had a great life, lived it to the fullest, and always did anything she wanted to do. And no matter what, her movies will mean she will always be in the memories of her fans, and those who knew and loved her." □

Jenna Jameson Cares!

Of the many traits embodied in the perfect-bodied XXX superstar Jenna Jameson, the busty blonde sex-pert has generally not been know to be an emotional softie—indeed to become the XXX business powerhouse she has become, it's almost impossible not to have nerves of steel. But according to McKenzie Lee, an exclusive Club Jenna contract girl who recently won the prestigious Adult Video News (AVN) "Best New Starlet" award at the 2006 AVN awards show in Las Vegas, she witnessed a rare moment of melancholy for Jenna. According to McKenzie Jenna actually broke down seeing her porn industry prodigy take the hardcore honors. "Jenna is a really good friend of mine, I'm probably closer to her now than I've ever been in my life. When I won that award, she was very proud. She's won so many awards and never cried. But she cried when I won. She bawled. She started bawling," she told internet journalist Gene Ross on www.adultfyi.com. What a sweetheart!

Opera– A Second Zupko Act?



The latest rumor about the always-secretive but never-boring extreme XXX director Thomas Zupko is that the unpredictable auteur may be looking to produce a "second act" of his mega-hardcore hit seminal feature Opera. Although Opera, starring Papillion, was originally pumped out in 2003 while Zupko was under exclusive contract to Elegant Angel Productions, the far-ranging Zupko would have to first obtain the rights from his former erotic employer—Zupko is now with LFP Video—but the word on the X-grapevine is that he might just try to make the offbeat deal. "It`s highly unusual for a single title to be bought out from a company, by a former director, but Zupko has a unique passion for his work," opines one X-sider who has followed Zupko's career in X-Land. The problem is that other than showing up to direct fuck flicks for LFP, and then burrowing his time away either in editing rooms or script-writing sabbaticals, Zupko tends to be elusive when it comes to talking to the media. But X-biz gossip says the the story within the anal-sex-packed Opera—that of a real life singer named Allen Rene starring as Puccini, a younger version of himself who has hit the skids, all done in Italian with english sub-titles—has long haunted Zupko, and he wants to do a part two of the title to find carnal closure. "He could obtain the rights to the title, do another one, distribute it himself, and lose his shirt in the process, but I don't think someone of Zupko's creative genius would care," says longtime friend/project collaborator/ and "Opera" cast stud Brian Surewood, "This is a guy who is all about the art, and doesn't give a damn about the money."

Rated T For Teen Is Rated "S" For XXX Suck-cess!

One of the most-bought teeny XXX tape series these days is *Rated T For Teen* directed by veteran producer/director/stud Mark Wood, and put out by his self-owned Next Level Productions. Although the young girl X-market is swamped with dozens of such titles put out monthly, and *Rated T For Teen* is just barely reaching it's half-dozenth edition, box-office sales figures rate the series highly. According to porn biz insiders the all-out anal sex, facial load, swallowing sperm nature of the vid title, combined with the teenage angle and good camera-work, has made *Rated T For Teen* a hardcore hit. Word on the X-street is now that Next Level plans to up their output of the series throughout 2006 to meet the anticipated increased cum-sumer demand!

Music for the very strange

Hi. I'm Chachi. Not sure what to say about myself that won't sound self-absorbed or just awkward. I guess the easiest way to put it is that I make odd music using my computer along with a small pile of kids' sound toys that I've modified to make unpredictable noises. It's a hard one to explain to the parents, but it keeps me out of trouble, mostly. ".....we're keeping an eye on him" lunaticworks founder, LW. Chachi's musical hallmark is a temperament between very detailed IDM glitch rhythms and delicate layers of melody and atmospherics — creating a space that is both inviting and frantically surreal. That being said, his music is filled with emotion and begs to be enjoyed, scrutinized, and bumped from car speakers like some kind of Martian hip-hop. Chachi's distinctive sound bears the unmistakable mark of many hours spent in a smoky bedroom studio delicately refining each moment of audio.

His latest album, Dymaxion Daydream is a dramatic evolution of the sound he defined with Claustrophilia (released by Lunaticworks in 2003). The boldness, complexity and staggering detail of the rhythms on Dymaxion Daydream are put right out in front so that there's no mistaking his intent to make your head rock and your feet move. Chachi's unmatched ability at pairing ethereal melodies and incredibly funky, brash electronic beats has never been so well explored and presented as it is on the hour-long Dymaxion Daydream. For more info, go to www.chachijones.com or lunaticworks.com.

METAL HEAD JEWELRY

Tattooed Steel literally started with junk when Nichole Van Orman found a piece of scrap sterling silver in the back of her father's sheet metal shop. She asked her husband, Jared, to craft a bracelet for her from the silver which she began wearing every day. Soon friends and family were placing orders.

The Van Orman's started experimenting with different materials and manufacturing techniques and, with a passion for art, Jared began putting his own Native American designs on the jewelry.

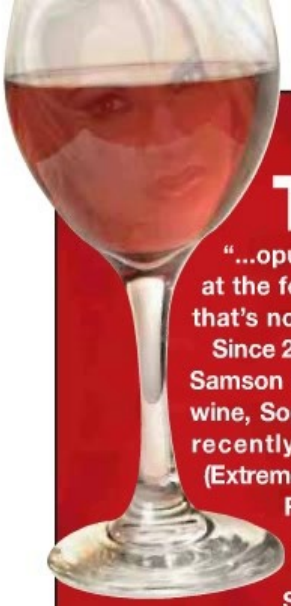
Devilishly Good Wine
The Savanna Samson Wine



"...opulent and luscious and it had a personality."* Sure these are common compliments usually laid at the feet of Pornstar Savanna Samson, but now they are being directed toward her Sogno Uno (no, that's not Italian for pussy.)

Since 2004, Vivid contract girl Savanna Samson has been producing a fine red wine, Sogno Uno (Dream One) and has recently been given a rating of 91% (Extremely Good) from wine expert Robert M. Parker. Savanna is not surprised at the prestigious praise she is receiving. She says she puts just as much passion into her wine as she does into her sex scenes. In fact, when asked what she thought of the rating, she said, "He should've given it a 93."

Sogno Uno is available from all fine wine merchants for around $38 a bottle.

SHARING

Mark and I work all the overtime we can get. There's a couple girls dancing at the titty flop who are counting on me to make their car payments, and Mark.... Well, Mark's still paying on his wife's breast implants.

Money is so short, Mark tells me that he's taken a second job in the lawn care business. He asked if I wanted to see an example of his handiwork and showed me a photograph of his wife's freshly shorn pussy. With her legs together, her bald cunt looked like an albino dolphin's smile.

I was impressed.

"Next day off," Mark said. "You oughta come out to the house and check out my new swimming pool."

I glanced at the picture once more and made a date for the next Sunday.

I arrived at his house five minutes early and went around back as he instructed. I was wearing my best pair of Bermuda shorts, the ones with the purple and orange hibiscus. The prospect of seeing Mark's wife, Sharon's mammoth tits exploding out of her bikini top had me jittery with excitement. In fact, I was still sporting the same hard-on I had leaving the strip joint the night before.

The privacy fence was unlocked. When I got to the patio, I almost came out of my flip-flops.

Sharon was lounging on a lawn chair. Nearly naked, her uniformly tanned, luscious body glistened in the sunlight. Her breasts proudly and expensively defied gravity, nipples like eyes atop two perfect pyramids. A bandanna folded over her pubic bone denied me a glimpse of her well-manicured pussy. Sunglasses shielded her eyes like two shiny silver skies. I wasn't sure if she noticed me surveying her tight body.

I didn't have to wonder long.

"Hey!" she called, waving me over. "I've been expecting you. Mark had to run to the liquor store. He should stay gone for awhile."

I approached her and she continued to beckon me until I was so close I could look down and see my reflection in her sunglasses. She affectionately rubbed my beer gut with one hand and said, "It looks like you're pregnant with a baby elephant. Let's see what kind of trunk you got."

She pulled my shorts down below my scrotum and made my cock disappear into her gorgeous mouth. One slim hand gripped me at the base of my shaft and held my cock steady as she worked her mouth around it.

I reached over and grabbed a firm, yet oddly yielding breast. Well worth the extra hours Mark puts in at the factory.

"Nice," I told her and she said not to be afraid to put my mouth on them. To facilitate he tanning process, she used butter in lieu of sun tan lotion.

I brought my leg over and crouched down so my balls rested on the bridge of her nose as she sucked me off. I trailed my tongue down her margarine slick tummy and nuzzled the bandanna away from her pussy to find that Mark's lawn care had been in business very recently.

I ran my tongue between her pussy's tight fold, separating the labia with a deep soul kiss. She groaned against my cock. I gripped her ass cheeks and raised her pubic bone against my chin, grinding my face into her pussy. A mixture of saliva and pussy juice dribbled down, lubricating her asshole for an exploratory finger.

Sharon gasped, her pussy undulating against my lips. She withdrew my cock from her mouth and replaced with a testicle. She was wet from her knees to her navel.

I stood erect and Sharon slid out from beneath me. She knelt on the end of the lawn chair, got down on all fours, breasts suspended like nuclear warheads. She licked the length of my rod and kissed away the pearl of pre-cum from the tip of my cock.

"Let me ride you, baby," she said, a bit too loud for my liking. Leading me by the prick, she positioned me how she liked and mounted me reverse cowgirl style.

In a crouched position, hands on her knees, only her sloppy wet pussy remained in contact. I leaned back to enjoy the ass crack view of my seven precious inches pistoning inside her.

As I felt myself edging toward orgasm, I reached around and grabbed her casaba-sized melons and pulled her against me, kissing her shoulder and kneading her breasts.

Feeling her muscles pull taut, Sharon withdrew me from her cunt and stroked my climax, my cum spraying her belly and breasts like a super soaker. She rubbed the head of my cock against her bald pussy, everything sticky with our sweat, butter, and cum.

She reclined against me, playfully gyrating her ass against my groin.

"So how was it, baby?" Sharon asked.

I realized she wasn't talking to me when Mark answered, "Definitely a keeper."

Startled, I squirmed out from under Sharon. Mark stood near the pool, his erection pushing against his khaki shorts. He was holding a DV recorder to his eye pointed directly at us.

"The fuck's this?" I sputtered.

"This is my other side business," Mark said.

"Insatiable-Sharon.com. I edit her 'sessions' into mpegs and charge saps 19 bucks a month to watch them."

He set the DV down and slapped his hands together. "Hey man, I gotta pay for the titties, somehow." □

PLEASE DRILL MY ASS POV STYLE 2

STARRING: Tory Lane, Katja Kassin, Marie Luv, Sandra Romain, Kat & Chris Charming
DIRECTED BY: Chris Charming
AVAILABLE FROM: Elegant Angel
RUNNING TIME: 110 Minutes

POV's can be hit or miss. That's not so when Chris Charming is directing. He can hold the camera and your interest while making a great POV fuck flick. The plot here is that porn chicks are writing him fantasy letters and Chris does his best to make sure that he fulfills them.

Big-titted Tory Lane writes in about her lust for fast cars and big dicks. The POV blowjob is awesome as Tory is such a pretty girl. Tory starts off slow while riding Chris's cock but really gets into it later on. The action breaks so Tory can take a taste of her pussy and asshole courtesy of his rod. After a long driving doggy style anal pounding, Tory rolls over for some cowgirl and a splattering of his cum.

Katja Kassin's ass is proof of Intelligent Design. There's no way this magnificent ass just evolved. The redhead anal monster goes from her tease segment into a POV blowjob seamlessly. Katja's ass fills the screen and she wiggles her ass while taking a deep anal plunging. Love that! Getting fucked in the cowgirl position Katja leans back to show off her awesome body and works her pussy up and down his cock. Seriously, is there a better ass in porn right now? Katja easily moves into an anal cowgirl and even does some ass-to-mouth for everyone's enjoyment. The big redhead swallows his cum and smiles.

Petite Marie Luv gives a great tease. When she starts sucking cock you will explode. Her pretty face, seductive eyes and killer body work overtime to suck the seed from Charming's cock. Marie also knows how to use her feet and gives him a nice footjob. It doesn't take her too long to move from pussy to ass in a cowgirl. Marie does some great anal and then smiles at the camera when she does her ATM. In addition to the great action, Marie provides us with plenty of hot talk. They finish off with some great mish in her pussy and Chris leaves a load all over that pink hole and her tummy.

Sandra Romain looks super hot in her pigtails and tight shorts. Sandra sucks cock and looks right into the camera. Sandra is very vocal and is quick to take his cock up her ass.

Sandra backs up her ass to his cock and the POV here is phenomenal. Charming keeps the camera steady as he finally pulls out and shoots all over her ass.

Kat's takes on Chris and her boyfriend at the same time. While this scene isn't done in POV, it is still great. Kat can handle multiple cocks at the same time. Great DP work from everyone, with an early facial pop that comes minutes before her asshole is finished getting reamed. This POV title gets you so close to the action you will smell the sex! Pick it up for your collection! —Mark Hope

BOOTY ISLAND

STARRING: Pantera, Pietra, Alayah Sashu, Mayara Rodrigues, Ariane, Jessica Oliveira, Princyany
DIRECTED BY: Eric Avalon
AVAILABLE FROM: Nectar Entertainment
RUNNING TIME: 120 Minutes

20775

Get ready for a swash(un)buckling adventure on the Seven Seas. Eric Avalon has heard a legend of an island in the South Pacific where the women are wild, willing and ripe for the taking! Eight hot and incredibly horny sea wenches are dying to find some buried gold to stash in their gullets and deep in their pussies.

Pietra fucks Ricardo Ramos to jumpstart this movie. Her blonde hair covers more than her barely there thong bikini conceals. Pietra is fucking sexy in her high heels, and Ricardo quickly moves in for the kill. There's some great cock sucking and pussy lapping to start things off. Pietra opens up the back gate so Ricardo can squeeze inside. She really does have a tight puckered asshole. Pietra takes all of his dick into her butt and smashes her pelvis into his for some great fucking. He fires off a load into her face to end the festivities.

It's blonde on brunette as Pantera and Princyany star in the second scene. These two sex kittens find some toys to be their surrogate cocks while the boys are away. Is there anything better than seeing two toned South American love goddesses tear into each other's pink slits? You'll want to join in the action as they take turns sucking each other's tits and fingerfucking their pussies. The heat goes to boil when they start playing with a dildo and getting off to wild orgasms.

Redhead Ariane joins blonde Jessica Oliveira for a scorching threesome with Vitor Assuncao. The ladies start out working on each other with plenty of teasing and even some stripping involved. Vitor arrives and it gets downright nasty. The ladies tag team blow him and start going down on each other as Vitor watches. As one girl gets fucked in the ass the other waits for him to pull out so she can suck him clean. Vitor lasts as long as he can with two cum junkies servicing him before he pops into their faces.

Tall brunette Alayah Sashu does her man Bad Boy but not before she gets herself ready with some solo work. Alayah loses her bikini as Bad Boy starts fingerfucking her twat. Alayah's ass looks awesome in a doggie style and the way her titties bounce in a reverse cowgirl will have you showering yourself in spunk. Bad Boy can't hold out much longer so he pops on her face as her tiny tits didn't present a hot enough target! —Henry McCarty **XXXX**

The heat never cools as Nataly lets the two guys use her body as a carnal playground, As she's getting the first dick up her ass watch her facial expressions change, it's hot! Nataly eventually has one dick up her ass and another in her pussy while both guys rock her back and forth like a child's toy. Of course the scene must end at some time so both guys pull out and blow their loads into the little slut's waiting mouth.

Before the popshot, the brunettes pulls his hog out of the blonde's asshole and blows him to clean off his cock. The dual face splattering cumshot is lovingly shared between the two girls as the screen goes black.

Kristine starts off her threesome with Charlie and George Uhl by standing in between them as they grope and kiss her tight body. Kristine is plugged with dick in a few new positions before she is coated with the guy's cumshots.

The two Claudias are making out hard when in pops the fortunate Neo. The girls pull down his pants and immediately suck his cock and more. FILTHY

STARRING: Michelle Lay, Lexi L'Amour, Kimberly Kane, Rebecca Love
DIRECTED BY: Devinn Lane
AVAILABLE FROM: Wicked Pictures
RUNNING TIME: 113 Minutes

Porn star devinn Lane has gone behind the camera to create some memorable porn moments, like Pillow Talk and the Road Trixxx series. Filthy is another title to add to her body of work. And it's just as dirty as the title suggests,

Michelle Lay is the typical LA porn star, skinny, good looking and hungry for hard dick. She's lounging in her business attire and leisurely starts flicking her clit while seated at her office desk. Michelle sticks her fingers deep inside as she strums her clit and gets off while using her camera phone. A very sexy opening scene that sets the tone for the remainder of the picture.

Kimberly Kane takes on Van Damage in a kitchen. Kimberly's got on her sexy little outfit that quickly gets removed by Van's fumbling fingers. The passion is deep with lots of kissing. Kimberly opens her mouth to suck off Van without using her hands.. He throws on a rubber and starts banging her in the missionary position. Kimberly is contorted into a lot of strange positions with her legs splayed all over in every direction. Van uses the kitchen counters for his utmost leverage as he deep plunges her slit. Just as suddenly, Van pulls out and cums all over her pussy.

Lexi L'Amour has a quick but very satisfying lezzie scene with the delightfully horny Michelle Lay. Lexi is nude and smoking a cigarette as Michelle watches. The two sexy dames start kissing and fondling each other. Michelle lowers her head to eat Lexi's juicy pussy. As Lexi is getting eaten, Michelle whips out a glass dildo and slides it in to her partner's cunt. All the wile the dildo is fucking Lexi, Michelle's fingers are busy strumming her clit. Lexi cums on Michelle's dildo and returns the oral favors with a hearty munching of Michelle's slit. The ladies swap pussy juice flavored kisses and Michelle squats over Lexi's face for some more rug munching. The scene doesn't really end; the action just kind of fades away as the ladies embrace and kiss and touch each other all over.

There are even more scenes on this action packed smut disc. Do yourself a favor and add Filthy to your permanent collection. It will be well worth the repeat value!

DEVIANT HOUSEWIVES

STARRING: Monica Mayhem, Liza Harper, Kelly Erickson, Harley Raine, Cherokee
DIRECTED BY: Anton Slayer
AVAILABLE FROM: Cal Vista
RUNNING TIME: 120 Minutes

The voice over mentions that she wasn't born into money, she married it. The VO stayed true to her husband for seven years, then she divorced him for his cash, cars and home. Now she and her horny girlfriends suck and fuck everything they can. Whores.

The movie jumps right into the first scene with our deviant housewives. Monica Mayhem with her super dark hair seduces poolman Van Damage. Monica quickly sheds her tiny sexy black bikini. They start kissing outdoors and bring the action inside. Van pulls off her string bikini and sucks on her jugs. She delivers a sloppy no hands blowjob and slobbers his nutsack as well. He starts fucking her in a reverse cowgirl with some excellent camerawork capturing all the sweaty action. The dirty two-some continue to heatedly bang each other in a few varied positions. Monica's moans, groans and swearing will bring a fat chubby to any guy's pants. In between position changes, Van takes the time to lather up her pussy with his saliva, she even gets her asshole licked!

Liza Harper does Lee Stone in an empty bedroom. Liza has him suck on her beautiful tits while he removes her remaining clothes. Stone dips his tongue into her slit and she grinds his face in ecstasy. Liza uses her considerable oral talents to wrestle Stone's dick down her throat. Stone always gets an energetic fuck out of his partners and Liza steps up to the plate here. Liza's legs spread as wide as they can as Stone runs her through a few positions to drill his dick into her. Lee can't hold off his orgasm any longer and unloads a big facial onto her open mouth.

The three-way between Kelly Erickson, Harley Raine and Alex Sanders is way fucking hot. Lots of lesbian licking followed by more lesbian licking. All of this is sandwiched by some truly hardcore fucking courtesy of Alex Sanders. No body part goes unlicked or unloved here as the trio goes absolutely nuts on each other. Alex brings things to a close by stroking off on to their tits.

Cherokee earns her deviant status with Mark Davis on a sofa. Her sexy dress is shed as the passion gets turned up minute by minute. Davis takes his time with the olive-skinned beauty. Cherokee brings a lot of spit to the scene and uses it to lube him up for some quality screwing. Cherokee keeps rubbing her clit while Mark drills her twat over and over again. Mark pulls out of her cunt and strokes off on her face and open mouth.

Kelly Erickson returns to do Talon in the final scene. Talon brings out Kelly's filthy whore side and it shows here. These two are like animals in that their passion knows no bounds. There's fingering, tonguing and of course tons of deep pussy penetrating going on. Kelly gets a fat facial that she happily collects in her mouth to swallow down! —Lester Moore **XXXXX**
